

The most complete Unit Exchange program available in the industry!

Quality

All of IAE Power Products' exchange components meet or exceed OEM specifications for optimum life cycle cost. This is one of the **IAE Power Products UTEX Advantages.**

Service

The IAE Power Products Rebuilt Unit Exchange program is the fastest and most economical way to significantly minimize downtime. Another **IAE Power Products UTEX Advantage.**

Experience

IAE has been serving the railroad industry since 1947. We are a Woodward authorized, full service facility with complete parts supply and rebuilding capabilities. We are proud of our history as a key player in the growth of ADS, the prestigious Association of Diesel Specialists. Once again a great **IAE Power Products UTEX Advantage.**
